Description

The Tu Tu is a slender yet shapely handcrafted glass with a open top and bottom. Our TuTu glass is a warm toned cased glass, with inner opal and a glossy finish. The color is accented by flowing marbled black lines, and nestled between the inner opal and outer clear layers. When lit the glass is vitalizing as well as stylish, that adds appeal to any environment. This blown glass is handcrafted by a skilled artisan, utilizing century-old techniques passed down from generation to generation. Each piece of this décor has its own artistic nature that can be individually appreciated.
